

In The Name of Allaah, The Most Merciful, The Bestower of Mercy.

Firstly, a mocker is an ignoramus. Allaah [The Most High] said:

وَإِذْ قَالَ مُوسَى لِقَوْمِهِ إِنَّ اللَّهَ يَأْمُرُكُمْ أَنْ تَذْبَحُوا بَقْرَةً قَالُوا أَتَتَّخِذُنَا هُزُوًا إِنَّكَ قَالَ أَعُودُ بِاللَّهِ أَنْ أَكُونَ مِنَ الْجَاهِلِينَ

And (remember) when Musa (Moses) said to his people: “Verily, Allah commands you that you slaughter a cow.” They said, “Do you make fun of us?” He said, “I take Allah’s Refuge from being among Al-Jahilun (the ignorants or the foolish). [Surah Al-Baqarah. Verse 67]

A Jaahil (ignorant one) is that one who speaks with a speech that contains no benefit and mocks at the people. As for a sensible person, he sees that one of the most blameworthy traits – abhorred by (sound) religion and intellect- is to mock at someone who is a human being like himself. And if he has been favoured over another person, then this favour necessitates that he thanks Allaah and shows mercy to Allaah’s servants. Therefore, when Musa [peace and blessings of Allaah be upon him] said this to them [وَإِذْ قَالَ مُوسَى لِقَوْمِهِ إِنَّ اللَّهَ يَأْمُرُكُمْ أَنْ تَذْبَحُوا بَقْرَةً قَالُوا أَتَتَّخِذُنَا هُزُوًا إِنَّكَ قَالَ أَعُودُ بِاللَّهِ أَنْ أَكُونَ مِنَ الْجَاهِلِينَ – I take Allaah’s Refuge from being among the ignorants and the foolish], they knew that it [i.e. what he commanded them] was truth, so they said: ادْعُ لَنَا رَبَّكَ يُبَيِّنْ لَنَا مَا هِيَ: [call upon your Lord for us that He may make plain to us what it is!(2:68)] (1) **Let all the ignorant racists ponder upon the above admonition!**

Secondly, neither is the origin of any human being an ape (monkey, fish etc) nor are their ancestors and descendants; rather this view is that of Darwin - the caller to disbelief. Indeed, the behaviour of many of the racist block heads is influenced by their corrupt belief in either Darwinism or white supremacy. As for Darwinism, Imaam Abdul Azeez Bin Baaz [may Allaah have mercy upon him] said: This statement is evil, falsehood, an opposition to the Book of Allaah [The Mighty and Majestic], an opposition to the Sunnah of Allaah’s Messenger [peace and blessings of Allaah be upon him] and an opposition to the consensus of the pious predecessors of this Ummah. This statement is well known from Darwin and he is a liar

regarding that which he has stated; rather the origin of the human being is his well known state - neither an ape nor other than it, rather he was created as a rational human being from earth and that is our father Adam [peace and blessings be upon him], just as Allaah [The Exalted] said: [وَلَقَدْ] خَلَقْنَا الْإِنْسَانَ مِنْ سُلَالَةٍ مِنْ طِينٍ - And indeed We created man (Adam) out of an extract of clay (water and earth)]. [Surah al-Muminoon. Aayah 12]

It is obligated on a servant to believe that Aadam was not an ape and that Aadam's [peace be upon him] origin is the same as what the human being is at present – neither an ape nor other than it. The statement that his original state was that of an ape is an evil statement and falsehood; rather if it is stated that the one who utters this statement has committed Kufr, then that would be considered a good reason for saying so. What is clearer – and Allaah knows best – is that the one who utters this statement [i.e. that Aadam's origin is an ape] whilst knowing that which the Sharee'ah has brought regarding this affair, then he is a kaafir, because he has belied Allaah, belied Allaah's Messenger and belied the Book of Allaah regarding the creation of Aadam. **(1)**

Imaam Muhammad Bin Saaleh Al-Uthaymeen [may Allaah have mercy upon him] stated that it is tantamount to disbelief in Allaah to believe that the origin of the human being is an ape because it is a denial of the noble Qur'aan and the consensus of the Muslims [i.e. the scholars]. **(2)**

Al-Allaamah Muqbil Bin Haadee Al-Waadi'ee [may Allaah have mercy upon him] stated about the theory of evolution: "This theory is considered Kufr (that exits a Muslim from Islam if he believes it). Read more on the link below from Shaikh Abu Khadeejah's [hafidhahullaah] website:

[NB: Takfeer [i.e. declaring a Muslim as an unbeliever or removing him from

the fold of Islaam] has principles and passing this judgement against specific individuals is the job of the upright scholars. Read articles on this subject matter:

Indeed, many of the racists, especially the white supremists are afflicted with this belief. Therefore, nothing can stop their foolish behaviour and repugnant deeds as long as the Kufr of Darwinism is still deep rooted in their hearts. May Allaah guide them to the path of Muhammad Aameen.

Thirdly, as for the belief that they are superior, then indeed the Messenger [peace and blessings of Allaah be upon him] said, "Indeed, Allaah [The Most High] has removed from you the pride of the pre-Islamic period and its boasting about ancestors. One is only a pious believer or a wretched sinner. You are sons of Adam and Adam (was created from) dust. Let the people abandon boasting about their ancestors, for they are merely fuel in Jahannam; or they will become more insignificant in (the sight of) Allah than the beetle which rolls dung with its nose".(3)

The Messenger [peace and blessings of Allaah be upon him] said, "Whoever is held back by his deeds, his (nobility) of lineage will not push him forward". Imaam Nawawi [may rahimahullaah] said, "Its meaning is that the one whose deeds are deficient and he does not catch up with the performers of (good) deeds, then it is obligatory upon him not to crown himself with nobility of lineage and the virtues of his forefathers, whilst he is lagging behind in (performing good) deeds".
